

QUANTUM INU

A LIVING WORLD
THE LAST SPROUTLINGS
A FOREST IN DANGER
LIFE FINDS A WAY

EVERY FOREST
BEGINS WITH
A SINGLE SEED.

LIFE FINDS A WAY

ACROSS THE UNIVERSE, A
DISTRESS SIGNAL CALLS OUT...

DISTRESS SIGNAL DETECTED
PLANET: SYLVA
STATUS: CRITICAL

SOMEONE
NEEDS HELP.

LET'S GO!

QUANTUM INU ROCKETS
INTO THE COSMOS...

THROUGH GALAXIES,
PAST NEBULAS, AND
BEYOND KNOWN SPACE...

...THE SIGNAL GROWS
STRONGER.

AT LAST...
THE SOURCE.

HELP HAS ARRIVED.

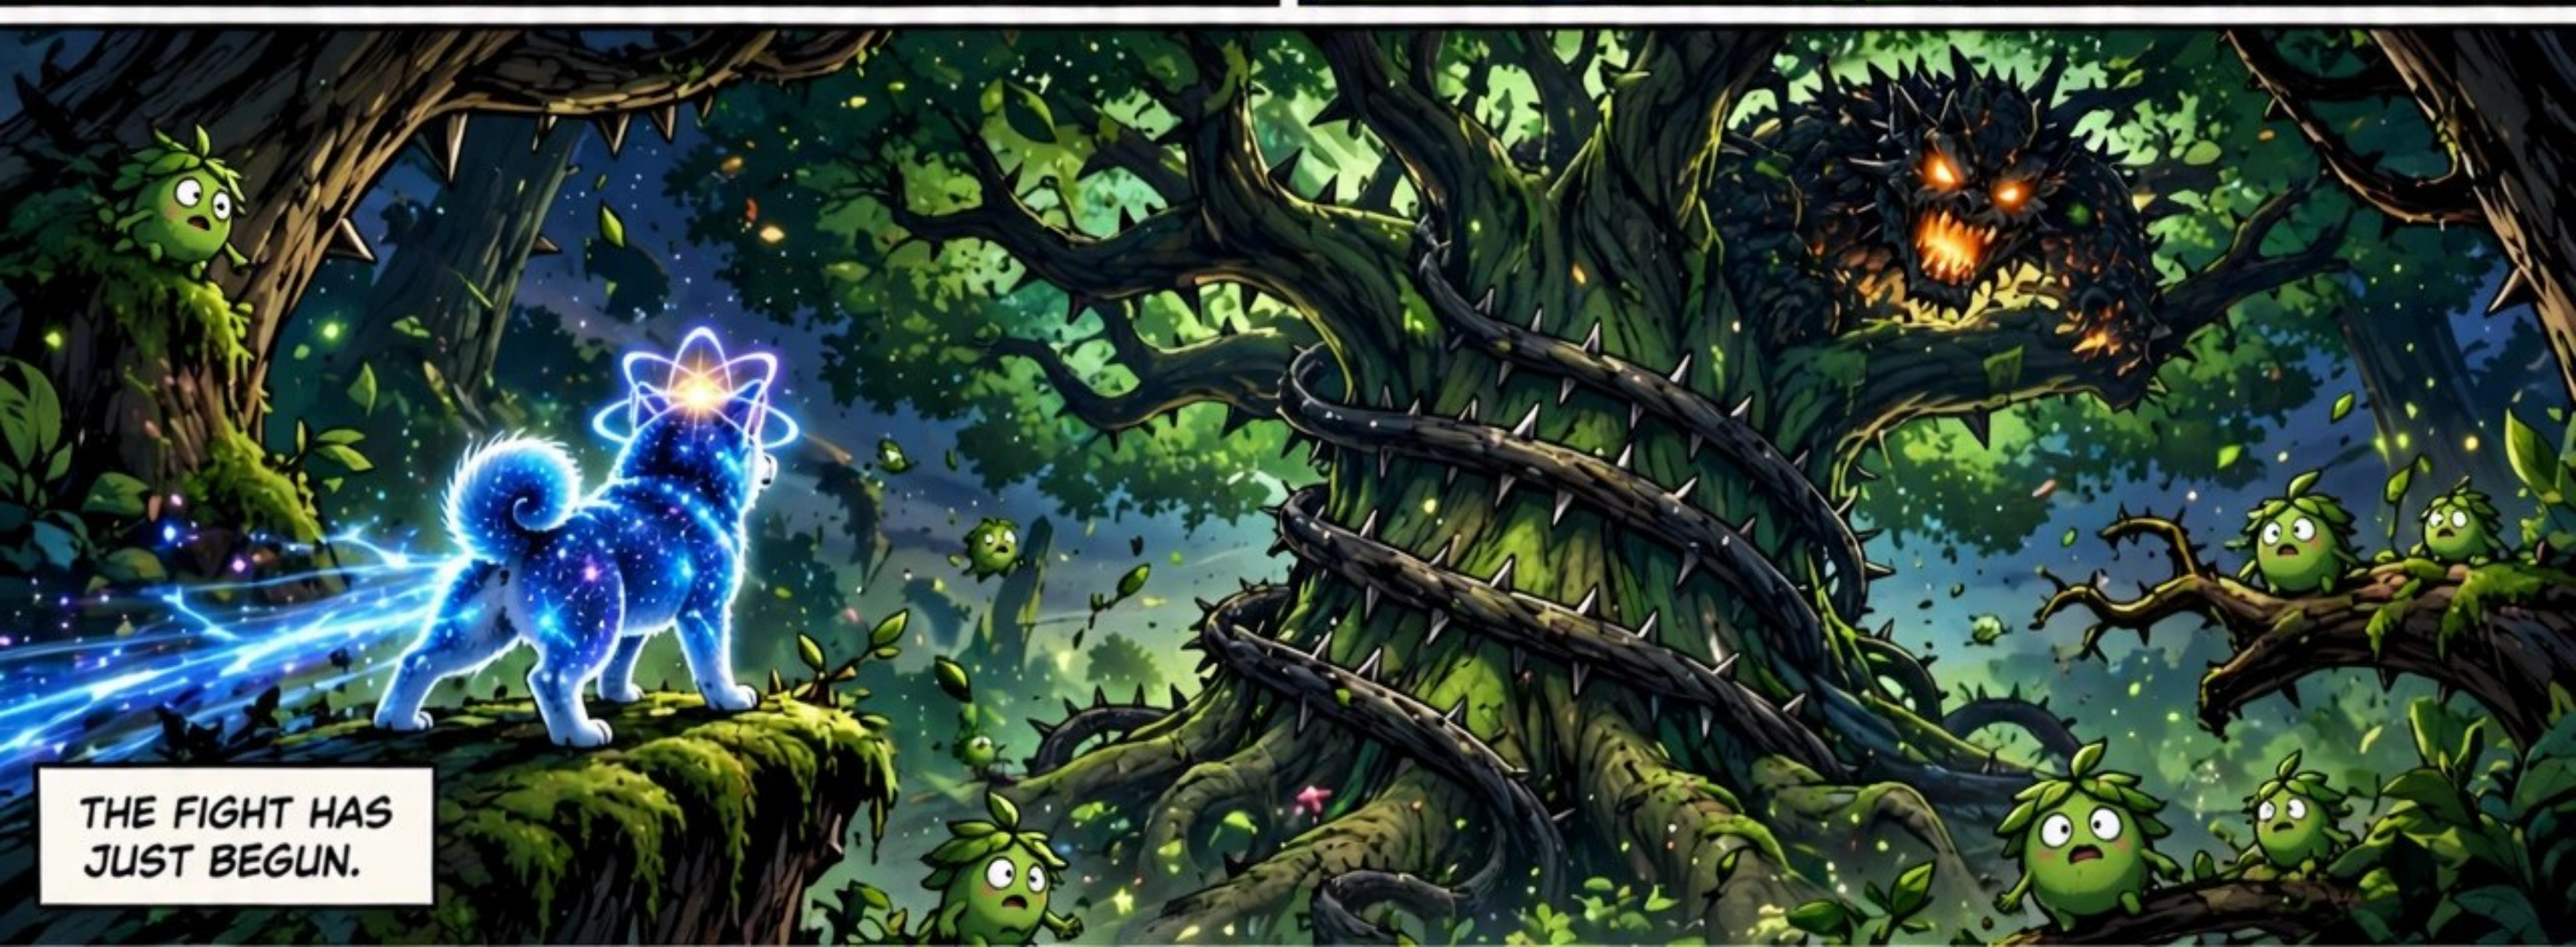

THE SOURCE
HAS BEEN FOUND.

A SPECIES IN
DANGER.

IT WON'T BE
THAT EASY.

THE FIGHT HAS
JUST BEGUN.

BUT THE CREATURE
FIGHTS BACK.

THWOOM!

QUANTUM INU
DODGES WITH EASE.

KRAKOOM!

THORNS RAIN FROM THE
CANOPY, BUT HE STAYS
AHEAD.

HE DODGES, WEAVES...
AND TURNS THE ATTACK
INTO AN OPENING.

THE MOMENT HE NEEDS.

THE FIGHT CONTINUES...

ONE FINAL
STRIKE...

HUNDREDS OF PIECES...
THE BEAST IS GONE.

IT WAS VAST.
IT WAS HUNGRY.
BUT IT WASN'T
QUANTUM ENOUGH.

A DISTRESS SIGNAL
ANSWERED.

A SPECIES IS SAFE...

...FOR NOW.

QUANTUM INU
